

A special meeting of the board was convened to discuss disbursement of \$2100 in the Jug Fund. The Jug Fund represents contributions from the Pioneer District members and guests, plus matching contributions from DOC. Jim Kunz moved that we distribute \$800 to Majestyx, the quartet that will represent Pioneer District at the international Quartet Competition in July. \$500 dollars was distributed to Frontier, the college representing Pioneer at the College Quartet Competition in July (both in Pittsburg), and \$800 to the Senior Quartet who will be representing Pioneer at the Senior Quartet Competition that will be held at the Mid-Winter Competition in January. Jim also moved that DOC make contributions to the Chorus Rep ( \$500 to Grand Rapids), the International Quartet Rep (\$100 to Majestyx) and the College Rep (\$100 to Frontier), going to the International Convention as was made last year, for last year's Pioneer competitors. The two Jug fund checks and three DOC checks will be distributed at the Windsor Send-Off show June 12
