

Special Meeting of the Chapter of the Merged

Detroit Oakland & Grosse Pointe Chapters of the Barbershop Harmony Society

September 16, 2019

DRAFT

The meeting was convened at 9:22 pm by Dave Montera.

D. Montera brought the chapter updates on the “Everyone In Harmony” movement in BHS. By October 15, 2019 all chapters in BHS will have to adopt new wording for their chapter By-laws that designates a chapter as an all mens chapter, an all women's chapter or a mixed men's and women's chapter. Discussion of the issue followed.

It was determined that Chapter members would deliberate the adoption options over the course of the next four weeks then vote on which option to choose on September 14, 2019 during a special meeting of the Chapter during our regular rehearsal.

The meeting was adjourned at 10:02 pm.
