

## Membership Report for 2/18/20 Board Meeting

We welcome six new voices who have joined or are in the process of joining GDC;

Tom Ziebro bass

Peter Kong tenor

John Fedyk lead

Jeff Kroon bass

Alex Shambrock bass

Glenn Beard bass

We need everyone to welcome them and to help them to prepare to perform with us on stage in Battle Creek in April.

Thanks to Steve for updating the new GDC Guest and New Member booklet.

New GDC-Harmony United business cards are available for anybody who wants to carry some to promote our chapter and chorus.

Our new chapter and chorus names are being forwarded to local organizations and businesses via the RO Inter-Club Council and Chamber of Commerce websites and through monthly meetings. Our “Jug Night” and fall show dates are similarly being publicized.

We have received future quartet or ensemble performance requests from two local organizations.

Roger’s extensive files of chapter business documents are (slowly) being updated with the correct new names and logos.

Membership is not just about recruiting new members, but also about improving the experience of all members regardless of musical skills or seniority. Please feel free to contact Geoff with ideas or concerns.

Respectfully submitted,

Geoff d’Allemand
