- Jim still needs to update the show work plan and forward it to Joe DeSantis
- We need to keep the performance form feedback going
- We need to review the GP repertoire music and decide which of their songs we'd like to add to the combined chorus' repertoire (and which DOC songs should be dropped). We will reach out to Steve Pauling to assess whether any of their contest songs would be ones we should consider adopting
- Joe Desantis presented a draft budget for the annual show, with 1-show and 2-show options.

#### 3. New Business

- We've started to accumulated suggested chorus and chapter names. Jim will reach out to two potential marketing consultants to obtain rate and/or price quotes. We hope to engage one of them and then convene a small group to discuss names, branding and other marketing-related ideas
- We discussed the possibility of pursuing the Society's Think program
- We also discussed the possibility of bringing Arnie Dolt up from San Antonio to support chorus development activities (e.g., marketing, membership, music)
- We plan to conduct more sectionals after contest for the show tunes – possibly two songs per session.

#### 2. Old Business

- Jim has one bid in hand from Vintage Mix and is awaiting a bid from Crossroads for our 9/14/2019 show. Jim will be reaching out to other quartets
- Jim still needs to update the show work plan and forward it to Joe DeSantis
- We need to keep the performance form feedback going
- We need to review the GP repertoire music and decide which of their songs we'd like to add to the combined chorus' repertoire (and which DOC songs should be dropped). We will reach out to Steve Pauling to assess whether any of their contest songs would be ones we should consider adopting
- Joe Desantis presented a draft budget for the annual show, with 1-show and 2-show options.

#### 3. New Business

- We've started to accumulated suggested chorus and chapter names. Jim will reach out to two potential marketing consultants to obtain rate and/or price quotes. We hope to engage one of them and then convene a small group to discuss names, branding and other marketing-related ideas
- We discussed the possibility of pursuing the Society's Think program
- We also discussed the possibility of bringing Arnie Dolt up from San Antonio to support chorus development activities (e.g., marketing, membership, music)
- We plan to conduct more sectionals after contest for the show tunes – possibly two songs per session.
