2. Old Business

- We need to get the performance form feedback going
- We haven't yet distributed a show survey to our 2019 show patrons. Jim and Joe have developed a draft, but it hasn't yet been finalized or distributed.
- We met with Joe Serwach re chapter branding, marketing. We've generally agreed on the Greater Detroit Chapter as the name for the new consolidated DOC and Grosse Pointe Chapter and recommend the Board adopt that new name for our Chapter, effective January 1, 2020.
- We spent much time considering different possible names for our chorus. Some of the finalist names that received support include: Lakeshore Songsters, Songsters United, The Big Three, Sound Expression, Harmony United, Gentlemen Songsters and Gentlemen in Harmony. As a group, we then eliminated names that seemed backwards-focused vs. forwards-focused and came up with two recommendations for consideration by the Board. Our top choice was Harmony United, followed closely behind by Sound Expression.

3. New Business
