2. Old Business

- We need to get the performance form feedback going. Jim and Lynne are working on the process to be followed
- We haven't yet distributed a show survey to our 2019 show patrons. We don't have a complete list of email addresses. Given how long it's been since the last show, we agreed to scrap this idea for this year.

3. New Business

- We discussed the need for new casual uniforms which may include getting new vests and bow ties. Dave Montera agreed to lead a sub-committee to do some analysis and develop recommendations. He hopes to engage Sally Burns on that committee
- We noted that the show date is confirmed as September 12, with a tech rehearsal on September 10. Jim will seek bids from headliner quartets, including Quorum and possibly Rooftop Records, Newfangled Four, Younge Guns and Pratt Street Power
- We need to select an Ensemble song, possibly Beep Beep and/or Oh, Look at me Now. We'd like to schedule a rehearsal right after contest.
