

DOC Contest Shoes

Look for a store that sells Corfam Shoes. They are black, high gloss military Dress patent leather shoes. You can usually find them at a local Army/Navy. The cost is between \$30 and \$60.

Here's a link to Amazon searching for Corfam shoes:

I think any Army Navy Store will have them. I also saw them for sale on EBay. Same price, but you may have to pay S & H on EBay.
